

SYSTEM REQUIREMENTS FOR DCO/WEBCAST MEETING ACCESS

1. Navigate to the main DCO page at <https://www2.dco.dod.mil/> and select “accept” on the usage policy.
2. On the lower left hand side of the page look for the “user resources” section and select “DoD Certificates Download” (this will open a new window).
3. In the new window, scroll down to the last section titled “Trust Store Management” and select “+ InstallRoot 3.16: NIPR Windows Installer,” this will open a drop down and the user will then need to click “(MSI Download) Size: 4,512 KB” (users may need privileges/permissions to install).
4. Ensure the latest Adobe Flash Player and Java applications are installed on the machine.
5. Run a diagnostic test to ensure your computer and network connections are properly configured using the following link: https://connect.dco.dod.mil/common/help/en/support/meeting_test.htm. Users may need to install the “Adobe Connect Add-in.”
6. Login to the DCO/Webcast.

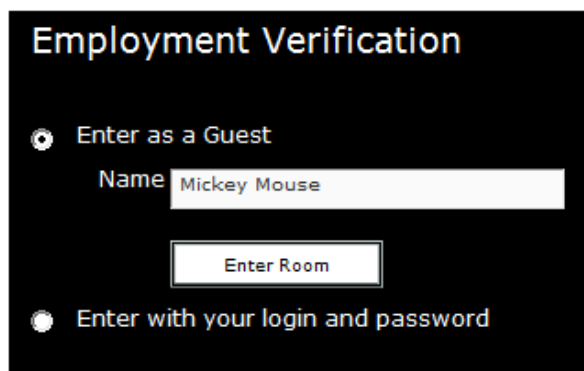

LOGIN INSTRUCTIONS FOR DCO/WEBCAST MEETING ACCESS

1. Approximately 5-10 minutes before the presentation begins, open the following link:

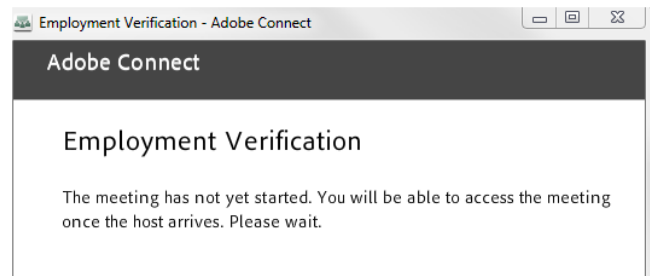

<https://connectcol.dco.dod.mil/employmentverification>
4. If you try to access the DCO/Webcast before the presentation begins, you will receive the following message. Please try to access the Webcast again 5-10 minutes before 12:00 pm CST/ 1:00 pm EST.

Turn the volume on your computer up to hear the audio portion of the presentation.

2. Select Enter as a Guest and enter your name in the Name field.

3. Select Enter Room.

5. Download the Adobe add-in if you are prompted to do so.
6. If you have trouble logging in, refer to System Requirements instructions above.
